OUR BROAD GUARANTEE TO CUSTOMERS

Our guarantee is, we believe, one of the broadest and most liberal of any nurseryman in the country. Our guarantee means something to you, because it is backed by a firm with an established reputation, a firm that is established permanently. We guarantee our stock to reach our customers in good condition. We guarantee that all trees and plants purchased from us shall be TRUE to NAME as labeled. For any stock which does not prove true to name and as represented by us, and as bought by you, we are to make good your loss or damage by reason thereof at any time within ten years of the date of purchase. In event we cannot agree we are each to appoint one arbiter who shall choose the third and the award of a majority shall be binding on both parties. If there is any mistake on our part in regard to the stock you purchase from us we want you to tell us about, and we will adjust the matter to your entire satisfaction. Our interest in the stock we send you does not cease when it leaves our hands. We believe our satisfied customers are our best advertisements.

A GAIN we present to you a Trade List, having learned that such a bulletin is more satisfactory to both customers and ourselves than an illustrated catalog—in so much that it is less expensive, allowing us to offer our stock at these low prices.

By reason of the large increase in cost of labor and material, we are compelled to follow the law of all business and make a slight advance in price on almost all varieties of stock.

We have tried to impress upon the public the advantages of ordering EARLY since all orders are filled in rotation. **ORDER NOW** WHILE OUR SUPPLY OF VARIETIES IS STILL INTACT AND THEREBY AVOID SUBSTITUTION AND DELAY.

As an inducement, we will allow **FIVE PER CENT DISCOUNT** on all orders accompanied by cash during the months of February and March.

Our INFORMATION DEPARTMENT is absolutely free, and at your service. Owing to the scarcity of space, we could give only a little general information and have found that a personal letter answering individual problems is very helpful.

Where it is possible we would like to meet YOU personally. **We are exhibitors at the leading Fairs of Eastern Connecticut and Brattleboro, Vermont.** However, do not hesitate to write us.

Our terms are cash with order or C. O. D., shipped either by parcel post or express. When cash accompanies a parcel post order, please remit postage and we will refund any balance.

Our Nursery is located two miles north of the Connecticut Agricultural College on the main turnpike from Hartford to Providence.

OWING TO THE SEVERITY OF LAST WINTER MANY NURSERYMEN AND ORCHARDISTS REPORT A SHORTAGE AND DEMAND FOR APPLE TREES—PARTICULARLY BALDWINS. OUR SUPPLY IS LIMITED.
